

# Breakfast Menu

Remember When.....You'd be lying in bed or out doing your morning chores and you'd smell that bacon frying, biscuits baking, and the other aromas of breakfast being made by Mom. Well, that's the way we want you to feel here. Right at home! We make all of our menu items from scratch just like Mom did. Whether you are a regular customer, local, or tourist just stopping in, no one's not a friend and most are like family. Just kick back, relax, and enjoy your Chef-prepared meal!
